Dear President of South Korea,

Mahatma Gandhi once said, “The greatness of a nation and its moral progress can be judged by the way its animals are treated.” South Korea can only achieve greatness if you:

1. Make a new law to ban dog and cat slaughter for food and medicine.

2. Enforce the existing animal protection laws.

3. Stop claiming that Boshintang (dog meat soup) is a cultural or traditional food in South Korea.

4. Educate the Korean people about the humane treatment of animals.

한국은 개 고양이 도살 법으로 금지하라.
동물을 보호하지 않으면 선진국이 될 수 없다.
보신탕은 문화음식 아니고 한국명예 더럽힌다.
